APPLICATION PROCEDURE FOR MAXIMUM 10 TRAINEESHIP POSITIONS AT THE ISTAT (Istituto Nazionale di Statistica)

DEADLINE FOR APPLICATION: 7 DAYS FROM THE PUBLICATION OF THE PRESENT PUBLIC COMPETITION

The Dipartimento di Economia e Management at the University of Pisa, in complying with the Protocollo di Intesa endorsed on the 23rd of February 2015 with ISTAT, the National Institute of Statistics, opens a selection for a limited number of traineeship positions at ISTAT.

Art.1- Entry requirements

All of the students enrolled in the Master of Science in Economics can apply.

Art.2- Characteristics of the traineeship

The traineeship will take place at ISTAT on the topics listed in Attachment A.

The traineeship will have a duration of 8 weeks and will must be completed between June 2018 and June 2019 following the timing reported in Attachment A.

Students will have the right to record the credits of the traineeship activity on the condition to produce a technical report approved by both their tutors at the ISTAT and at the University of Pisa.

Art.3- Application procedure

The eligible applicants have to send their application via email to mse@ec.unipi.it in a **pdf format**, using the template enclosed, within 7 days from the publication of the present public competition. They will be notified upon the arrival of their application.

The applicant has to enclose to her/his application the following documents in **pdf format**:

1. Curriculum vitae of the candidate, with the indication of the MSE curriculum in which she/he is actually enrolled.
2. A transcript of her/his academic record, that is a list of the exams already passed during her/his master studies, complete of the grades and date of each exam.
3. A motivation letter (max 3000 characters including spaces) expressing the personal reasons to the traineeship at ISTAT.
4. A list of **three** topics among those reported in Attachment A, with the indication of the most preferred topic.

Art. 4- Selection procedure and criteria

The selection Committee will be constituted by three professors of the Master of Science Economics, selected by the President of the Master.

The selection Committee will evaluate the applications and provide a ranking of a maximum of 20 eligible students for the traineeships.

The main criteria will be: the candidate's curriculum vitae, curriculum studiorum, compliance of her/his academic record with the goals of the traineeship, and the motivation letter. Students enrolled in OS Curriculum and in the first year will have the maximum priority in the selection. The selection Committee will be free to interview specific candidates.

The list of eligible candidates for the traineeship will be published on this link <https://alboufficiale.unipi.it/blog/category/procedure-selettive-e-di-reclutamento/> , MSE website <http://mse.ec.unipi.it/> and in the website of the Department of Economics and Management <http://www.ec.unipi.it/>
