

Fact Sheet

The Department of Economics and Management of University of Pisa and the Laboratory of Economics and Management of Sant'Anna School of Advanced Studies have developed a challenging two-year Master of Science Program in Economics.

The central aim of the program is to enhance the abilities of students of analyzing economic phenomena at different levels: firm, industry, national and international. This range of skills represents the ideal foundation for the development of professionals able to interpret the fast-changing economic environments of the 21st century.

The Master program in Economics is not restricted access, but admission is subject to an assessment of the curriculum provided by applicants.

It offers two curriculum: **General Economics** and **Official Statistics**.

The last one has been recently labelled by the European Commission with **EMOS (European Master in Official Statistics)**.

Director: Prof. Lorenzo Corsini
Secretary Staff: Mrs. Francesca Pinzauti

Dipartimento di Economia e Management
University of Pisa
Via Ridolfi, 10 – 56124 Pisa

Contact: mse@unipi.it

Master of Science in Economics

Laurea Magistrale in Economics

UNIVERSITÀ DI PISA

Scuola Superiore
Sant'Anna

di Studi Universitari e di Perfezionamento

Tuition Fees: € 2,354,00 Maximum.

Non-EU students can obtain a reduction of the tuition fees based on country of origin and/or on merit. The maximum reduction for country of origin is € 1,947.00; the maximum reduction for merit is € 261.00. These reductions can be combined.

DSU Scholarship:

All students can apply for the DSU Scholarship, consisting of a mix of supporting activities, as free accommodation, free access to canteen, partial exemption from fees, etc. For more information: www.dsu.toscana.it

Extraordinary contributions: **1. Scholarships provided by the University of Pisa.** The **top eighteen international students**, enrolled for the academic year 2020/2021 will be able to benefit from one of the merit scholarships that the University of Pisa will allocate in order to increase the number and the quality of international students in the University.

Each scholarship will be consist of:

- First year of course: 6 thousand euros net and exemption from University fees
- Second year of course: 8 thousand euros net and a reduction of 50% of the University fees if the student has obtained at least 36 cfu credits with an average grade of at least 25/30.

Scholarships will be awarded on the base of a unique ranking, made by a committee which will evaluate the following factors:

- CV
- Interview
- CGPA (Cumulative Grade Point Average)

Master of Science in Economics

Laurea Magistrale in Economics

UNIVERSITÀ DI PISA

Scuola Superiore
Sant'Anna

di Studi Universitari e di Perfezionamento

- Country of origin of the applicant, giving priority to the less economically advantaged countries.

Attention: In order to take part in the allocation of the scholarships, candidates must apply to the course of study of interest by one of the deadlines suggested by the course of study itself, but in any case not later than the **15th of March 2020**.

The allocation of the scholarships will happen before the enrollment, so that eventual non-EU winners applying for a VISA will be able to use it during the pre-enrollment phase to demonstrate sufficient economical means to afford studying in Italy at the competent Italian diplomatic Representation.

Pre-enrollment procedure: On line pre-enrollment procedure on <http://matricolandosi.unipi.it/en>

Enrollment procedure: take an appointment writing an email to international@unipi.it to complete the enrollment procedure and get the student booklet

Italian courses: Intensive **Italian language courses** for international students are offered in September and October each year by the Interdepartmental Language Centre (CLI). Regular Italian courses are also offered during the year for different proficiency levels. Students are required to take an Entry Test (even absolute beginners) to establish their knowledge level when they start.
