

ERASMUS+ PROGRAM

A maximum of 30 CFU can be validated for 2nd year exams.

Students of the 1st year can apply and leave if they have taken at least mathematics and statistics.

For 2nd year students we ask for all first year exams to be taken.

EXAMS

For what concern student's free choice credits, no prior request or recognition is required in case of courses offered by the degree program.

In case of exams not offered by the degree program, it is always necessary to ask for prior authorization for recognition. No credit recognition can be requested for internal courses of Sant'Anna School of Advanced Studies

In addition:

Second level exams (in English): no restrictions, but motivation of adherence to the educational path, as per general regulations.

Second level exams (in Italian): essential motivation needed, and in exceptional cases for exams not similar to those present in the list or not activated in English in other degree courses.

First level exams (in English): necessary motivation and in exceptional cases for exams which are not part of the characterizing sectors of the degree course.

First level exams (in Italian): no recognition possible.

Exams of knowledge of a foreign language: possible inclusion when motivated by precise educational needs connected with thesis and with endorsement by the thesis supervisor, for a maximum of 3 CFU. No recognition for certificate, but only for university exams or those agreed upon with the university..

Recognition of student's free choice credits for courses held in other Italian universities

Only second level exams in English, with prior authorization for exams not similar to those on the list or activated in English in other degree courses.

Recognition of exams in Italian in substitution of the list

Not possible.

Summer school in English

A prior request must be sent to *pratichestudenti_mse@ec.unipi.it* before the beginning of activities.

In order to obtain a credit recognition (among the free-choice credits) a final check is needed. A maximum of 3 credits are recognized.

INTERNSHIP

ISTAT internship (active agreement with the department):

9 CFUs are recognized for GE students (among free-choice CFUs) and 12 CFUs for OS students (with final grade). Students must send, before the beginning of activities, the training project signed by the ISTAT tutor and the university tutor.

At the end of the activity, students must write a final report and submit attendance statement, both signed by the ISTAT tutor and the university tutor.

INTERNSHIP WITH INSTITUTIONS IN AGREEMENT WITH THE DEPARTMENT OR S. ANNA SCHOOL:

a maximum of 6 credits are recognized with prior conformity assessment among the free choice credits.

Students must request authorization before the beginning of activities, sending the training project signed by the external tutor and the university tutor.

At the end of the activity students must write a final report and submit attendance statement, both signed by the external tutor and the university tutor.

INTERNSHIP WITH NON-AFFILIATED INSTITUTIONS

No recognition is possible
