

## ERASMUS+ PROGRAM

A maximum of 30 CFU can be validated for 2<sup>nd</sup> year exams.

Students of the 1<sup>st</sup> year can apply and leave if they have taken at least mathematics and statistics.  
For 2<sup>nd</sup> year students we ask for all first-year exams to be taken.

## EXAMS

No prior request is required for courses offered by the MSE degree program.

Prior authorization is always mandatory for courses not offered by the MSE degree program.

Internal courses of Sant'Anna School of Advanced Studies could be recognized only:

- If MSE student asks for prior authorization.
- If MSE student is not from Sant'Anna School.

In addition:

Master level exams (held in English): no restrictions, but motivation of adherence to the educational path, as for general regulations.

Master level exams (held in Italian): essential motivation needed and -in exceptional cases for exams not like those present in the list or not activated in English in other degree courses.

Bachelor level exams (in English): necessary motivation and in exceptional cases for exams which are not part of the characterizing sectors of the degree course.

Bachelor level exams (in Italian): no recognition possible.

Exams of knowledge of a foreign language: possible inclusion when motivated by precise educational needs connected with thesis and with endorsement by the thesis supervisor, for a maximum of 3 CFUs. No recognition for certificate, but only for university exams or those agreed upon with the university.

### **Recognition of student's free choice credits for courses held in other Italian universities →**

Only master level exams in English, with prior authorization for exams not similar to those on the list or activated in English in other degree courses.

**Recognition of exams in Italian in substitution of the list → Not possible.**

### **Summer school in English**

A prior request must be sent to [mse@ec.unipi.it](mailto:mse@ec.unipi.it) before the beginning of activities. A final check is needed to obtain credit recognition among the free choice activities for a maximum of 3 CFUs.

## **ISTAT INTERNSHIP**

- 9 CFUs are recognized for GE and QF students among free-choice activities with a judgment.
- 12 CFUs are recognized for OS students with final grade.

Students must send the training project, both signed by the ISTAT tutor and the university tutor before the beginning of activities.

Students must write a final report and submit the attendance sheet, both signed by the ISTAT tutor and the university tutor at the end of the activities.

## **INTERNSHIP WITH INSTITUTIONS IN AGREEMENT WITH THE DEPARTMENT OR SANT'ANNA SCHOOL**

A maximum of 6 CFUs is recognized with prior conformity assessment among the free choice activities. Students must request authorization before the beginning of activities, sending the training project signed by the external tutor and the university tutor.

At the end of the activity students must write a final report and submit attendance statement, both signed by the external tutor and the university tutor.

## **INTERNSHIP WITH NON-AFFILIATED INSTITUTIONS**

No recognition is possible
